

"For over 50 years I have always kept Ayer's Cherry Pectoral in the house. My father often told me that it saved my life when I was very young."

In thousands of homes Ayer's Cherry Pectoral is a household word. It has been used first by the grand-
parents, then by the parents, and now by the children. For colds and coughs, croup, bronchitis, la grippe, inflammation in the throat or in the bronchial tubes.

Ayer's Cherry Pectoral
is the standard remedy the world over. It contains no narcotic or poison. Accept no substitute. Put up in large and small bottles.

WASEDAS SHUT OUT IN DECIDING GAME

The third and last baseball in the special series game between the Waseda and All Military team was played at Athletic park yesterday afternoon, the latter team winning the game by a 4-0 score.

The Wasedas played a listless game throughout and at no stage of the game had any chance against their rivals. Bell pitched a splendid game for the winners and received good support from the whole team. Only one error was made by the victors, that being chalked up against Davis.

Very little rooting was heard during the game from the Japanese fans as they never make much noise when their countrymen are being beaten. A fairly good sized crowd was present who seemed to enjoy the game, but very little enthusiasm was shown on either side.

The line up of both teams and the score by innings follow:

Wasedas—Iseda 3b; Oi, 1b; Fukabori, rf; Matsuda and Omura; Tobi and Mikami, lf; Ogawa, cf, and Nonomura, ss.

All-Military—McCall ss; Lenn, 3b; Wolters, 2b; O'Sullivan, lf; Davis, 1b; Gibson, cf; Townsend rf; Kimmel, c; and Bell, p.

All Military.....1 0 0 3 0 0 0 0—4

GAME AT LEILEHUA.

The third and deciding polo game in the Cavalry-Oahu series will be played at Leilehua on Saturday instead of at Moanalua. The Oahu players were out at practice yesterday afternoon, and if they play on Saturday the Cavalry team will be beaten.

The team selected to represent Honolulu on Saturday will be made up of the following: Walter and Harold Dillingham and Dr. and Sam Baldwin with All Magoon as substitute.

ANOTHER FIGHT ASPIRANT.

Sholer Johnson, welterweight champion of Denmark who is at present second mate on the yacht Sweetheart, is very anxious to meet either Cordell or Cornyn in the ring before he returns to the coast.

Cordell when asked today if he was willing to meet Johnson replied: "I will meet Johnson at any time whether I win or lose against Cornyn." Johnson has met a number of good men on the coast, and is ready at all times to box as he is always in good condition.

It is possible that Johnson will be signed up with either Cordell or Pat Cornyn within the next few days.

Cornyn and Cordell are putting on the finishing touches to their training for what promises to be one of the best exhibitions of the manly art seen here for many years.

WALL CUP MONDAY.

Entries for the tennis tournament for the Wall cup will close at the Beretania club on Saturday, play starting on Monday afternoon on the club courts. Nearly all the crack players of the club have entered for the play which promises to be even

more exciting than the play in the last tournament which was won by Atherton Richards. Lowrey, Kennedy, Low, Castle, Theodore and Atherton Richards, Sinclair, Bockus and Cooke are expected to be on hand when the playing starts on Monday, and before the tournament is over the lovers of tennis will no doubt be treated to the best tennis seen here in many years.

TO SELECT TEAM.

NEW YORK, July 9.—Affairs surrounding the Davis international Tennis Challenge Cup have taken a new turn during the past week. From the official American tennis organ the statement is made that it has been decided to nominate the team of players to represent the country at the time of playing the all-comers national championship on the courts at Newport, R. I., which will begin August 15. That was the procedure last year. At that time it will be possible to obtain players willing to journey to Australia. Already it is known that Beals C. Wright, now competing in England, and the two Californians, Maurice E. McLoughlin and Melville T. Long, are willing to go. However, much depends upon the form that the two latter display when they appear in the eastern tournaments this season.

BIG LEAGUE RESULTS.

Yesterday's games in the big leagues resulted as follows:
American—Philadelphia 4, Washington 5; Boston 5, New York 4; Boston 3, New York 6.
National—New York 6, Philadelphia 2.

OUTLOOK AT HARVARD BRIGHT NEXT YEAR.

BOSTON, Mass., July 9.—According to a statement issued by the athletic authorities at Harvard the outlook in athletics at the Cambridge institution for next year is very bright, and the prospects for a good season are as well as could be expected.

Harvard men are jubilant because Percy Haughton has consented to take charge of the foot ball squad again. He has signed a three-year contract to instruct the Crimson men. Of the twenty-two men who have won their "H" at foot ball fourteen will return to college in the fall. Four who played against Yale last fall will be among those missing next season.

"Ham" Fish will be the greatest loss to the team, and it will be hard to fill his position at tackle. Paul Withington, at center, also will be missed. There are a number of promising men from last year's squad, however, who will be given a thorough tryout.

It is thought that the ends will be Smith and Rogers, while Minot is good for the position of fullback. L. Withington and Fisher are slated for the positions of guards. The quarterback job will be taken care of by O'Flaherty and Wigglesworth. Corbett, Frothingham and Wendell will

be back again to take care of the back field. Everything considered, Haughton will have a fine squad to work with.

Captain Foster of the track team is optimistic of his chances next year. It is quite true that Gardner, Lawrence and Little will not be on the squad next year, yet he has a number of veterans who can be depended upon to win most of the dual meets for Harvard.

Twelve men who have won their varsity letter will be in college. These will represent 23 of the 2 1-2 points scored in the dual meet with Yale and 4 points of the 13 1-2 scored in the intercollegiate. Harvard will be strong in the dashes and the long runs but will be rather weak in the field events unless the freshmen on last year's squad make good. The pole vault will be the weakest event, as with the exodus of Lawrence there is not a man in the college capable of clearing the bar over eleven feet.

The crew prospects are also very bright. Only three varsity men will be lost by graduation, they being Waide, Bacon and Whitney. There is enough material in the form of substitutes and freshmen to fill the places left vacant by these men.

The base ball team will suffer the most. Captain Lannigan, the third baseman; Shortstop Marshall, Pitcher Hicks and Outfielders Brown and Garner will leave this year. T. C. McLoughlin, the new captain will have a hard time trying to fill the places of these men. R. G. McKay will probably be the star pitcher next year while Ernst will also get a chance to show his form. The minor teams expect to have a good season also and while the outlook might be more promising, still it is about as well as could be expected.

RECORD IN TELEPHONE CONSTRUCTION

Six weeks is a short time in which to build a telephone exchange complete for permanent use, but the feat was accomplished despite great difficulties at Omaha recently, and an illustrated article in the August Popular Mechanics tells how it was done.

In the afternoon of April 11, a court order was issued authorizing construction to be undertaken, and from that moment until the last day of grace, May 23, the struggle was continuous. On the morning of April 12 the lot for the building was surveyed and contracts were made with the architect and the builder. The architect drew up pencil sketches of the general plan and these suffice to start work, details being figured out from day to day as the work progressed. On the morning of April 13 men were excavating the cellar. A few days after it began to rain, and from then on until the end there was hardly one whole pleasant day. The bricklayers were obliged to quit because of the steady rain, but were almost immediately sent back to work again under canvas, scaffolding being erected to hold awnings.

PLOT THAT FAILED.

A most interesting and revolutionary political scheme was hatched up here last week. The plot was to pass a resolution by which Supervisor S. L. Desha should be formally read out of the Republican party. The grounds were to be alleged political treachery not only on the part of Desha, but also on the part of National Committeeman Holstein.

But the plot failed to materialize, at least it did not come off at the meeting of the Republican County Committee last Wednesday evening, which was the time set for the springing of the mine. It is not known whether those behind the plan have given it up as a bad job, or whether they are merely waiting for another time at which to spring it.—Hilo Tribune.
